TITLE

000-000-0000 / EMAIL / CITY, STATE, ZIP

Profile

Focused safety expert with 12 years of experience handling a variety of weapons, monitoring suspicious activity, and diffusing tense situations. Motivated to demonstrate my tactical training and diligence to work with a team of skilled guards to protect high-profile clients and property.

Experience

Armed Security Guard - Company / Location

MONTH YEAR - Present

- Screened over 4000 clients and 180 employees across more than nine facilities for weapons and contraband.
- Contained emergencies before police arrival.
- Protected equipment worth over \$200 million with no vandalism, theft, or burglary cases.
- Devised and implemented security strategies for gate entrances, reducing trespassing.
- Responded to distress calls within 20 seconds, safely performing CPR.

Enter Job Position Here - Company / Location

MONTH YEAR – MONTH YEAR

- Performed security checks on over 200 vehicles to identify unauthorized items and prevent vandalism and theft.
- Reviewed 26 CCTV cameras.
- Monitored and protected cash vaults worth over \$300,000.
- Provided on-site weapon handling and security equipment training to nearly 30 security guards and 14 junior guards.
- Collaborated with other security guards to increase security at the company headquarters, reducing the risk of violent situations.

Project Experience

- Worked with management to equip the security team with the best protective equipment.
- Established new security protocols, ensuring security team members were always escorting high-level management and clientele.
- Established a new program to teach junior security guards to use weapons only when warranted.
