Profile

I have 10 years of experience as a commercial interior designer. With solo and group firm projects under my belt, I'm looking to expand into redesigning and refreshing cityscapes and other commercial spaces.

Experience

Interior Designer for Phillip's Publishing Co - Company / Location

MONTH YEAR - Present

- Updated and renovated 2000 sq ft office space to reflect new state and federal building regulations.
- Replaced and reinvigorated workstations for 40 employees to increase sunlight access and productivity and improve accessibility in the office setting.
- Communicated with contractors, businesses, and landlords to solidify the timeline, budget, constraints, and other details essential for the project.
- Created 6 mockups using SketchUp Pro and presented them to contractors, businesses, and landlords; using feedback to revise and provide 14 possible mockups for the project.
- Evaluated client requests and maximized budget by 16%.

Interior Designer for Matilde's Coffee House - Company / Location

MONTH YEAR – MONTH YEAR

- Renovated and expanded seating area, increasing seating availability from 10 to 20 guests.
- Developed 3 possible mockups for the client using SketchUp Pro software, all within criteria and budget constraints, to present variety and creativity.
- Introduced a new lighting system to help update lamps and reinvigorate the space.
- Saw an uptick in visitors by 15% thanks to renovations opening up the area.
- Communicated with contractors and business owners and provided cost predictions for a smooth business transaction.

Project Experience

- Served as vice president of the interior design chapter at alma mater; worked on recruiting new members and developing a welcoming environment to increase membership by 30%.
- Developed and led 3 presentations discussing the importance of spatial awareness for prospective interior design students at alma mater.
- Trained 2 new interior design team members, introducing them to protocol and the firm's atmosphere, fostering confidence and excitement about a new position.
