Experience

Enter Job Position Here - Company / Location

MONTH YEAR - Present

- Collaborated with six artists to create a storyboard for a Disney video game
- Designed eight characters for an innovative mobile app game that brought in one million players in the first month
- Created a website from scratch for the local Public Library system with new library cards that matched the online interface
- Produced four billboard designs for Retail Store, rotated quarterly, which led to a 50% increase in revenue over the year
- Brainstormed logo designs for three global companies in a one-year period, taking the designs from ideas to full implementation ready for corporate branding
