Profile

I am a creative interior designer with experience renovating and reshaping buildings in older towns. With about 15 years of experience in the residential and commercial disciplines, I'm ready to take on creative projects of all kinds to help communities.

Experience

Interior Designer for Blakely Family - Company / Location

MONTH YEAR - Present

- Renovated 132 sq feet bedroom into nursery and loft by creating sketches on Sketch Up and adhering to client request.
- Redesigned and updated kitchen; created mockup blueprints with AutoCAD for potential appliance placements and increased kitchen functionality.
- Reconstructed kitchen pantry space by providing mockups and went on to increase storage usage by 50%.
- Communicated with clients and provided regular cost prediction plans for transparency and customer satisfaction.
- Created a 12-month timeline for the project and finished on time with minimal issues, resulting in customer referrals.

Interior Designer at Jefferson Inn - Company / Location

MONTH YEAR – MONTH YEAR

- Updated bedroom curtains and lighting fixtures for a modernistic feel.
- Selected and applied new paint on front doors, resulting in freshened presentation.
- Created 6 mockups of different historic-themed concepts for guest bedrooms to the client's request and implemented 50% of the mockups.
- Assisted clients to maximize their budget by 17%, allowing the project to be completed at once and sooner rather than in stages.
- Communicated and provided clients with advice and accurate cost predictions.
