Profile

To leverage my creativity, technical skills, and passion for photography to produce visually stunning and unique images that capture the essence of a wide range of subjects. Seeking a challenging and dynamic role that allows me to push the boundaries of traditional photography and contribute to the growth and success of a progressive organization.

Experience

Freelance Photographer - Company / Location

MONTH YEAR - Present

- Plan projects with the client, including making a list of shots to take as well as what props to use.
- Schedule the venue or location, arriving early to the set to set up lighting and other photography equipment.
- Make the client and other photo subjects feel comfortable during the shoot, offering breaks as necessary.
- Use editing software to adjust the contrast and other elements of the photos from the shoot.
- Provide proofs and final images to the clients, completing edit requests as needed.

Photojournalist - Company / Location

MONTH YEAR – MONTH YEAR

- Follow the local news to learn of upcoming events that could use photo coverage.
- Pitch photojournalism ideas to the editor-in-chief, accepting assignments of approved events.
- Arrive at assigned events early to set up, stay for the length of the event to take as many pictures as possible.
- Compile photos from the event into editing software to develop a collage or to print individual images as necessary.
- Submit final work to the editor for review, making changes as requested.

Project Experience

- Participated in a local creative photography competition, placing first in my age division.
- Started a local photography course for kids, handing off the course to other photography instructors.
