## Experience

### Early Childhood Educator - Company / Location

MONTH YEAR - Present

- **Job Description:** Developed and delivered age-appropriate lessons for children of varying ages and worked with 20+ students for one year.
- **Results:** Students grew +5 points on yearly evaluations, and parents requested to have me teach students the following year.
- **Additional Capabilities:** Led reading groups with older primary school students and co-coached the elementary school Little League team.
- **Other:** Founded a donation program for parents to recycle used car seats. Taught workshops to help parents acclimate to helping kids with schoolwork.

### Daycare Worker - Company / Location

MONTH YEAR – MONTH YEAR

- **Job Description:** Worked with babies and toddlers at a daycare center for three years and cared for 10-20 children at a time.
- **Results:** Had a 4.86/5 star review average across third-party review platforms. Parents expressed high satisfaction.
- **Additional Capabilities:** Created a transportation voucher program for parents. Helped parents with school applications.
- **Other:** Opened and closed the daycare center each day and prepared lessons and activities for children.

### Project Experience

- **Volunteer at a Local Clothing Drive:** Five-year volunteer experience with a local clothing drive.
- **She led Church Soup Kitchens:** Founded and led church soup kitchen initiatives in the neighborhood.
- **Community Activism:** Led voter registration drives and organized the community to request lower transportation fees.
