TITLE

000-000-0000 / EMAIL / CITY, STATE, ZIP

## Profile

Detail-oriented recent graduate with a Master of Architecture and a passion for sustainable urban design. Seeking to apply my technical skills and problem-solving abilities as an entry-level architect at Alliance Architects.

## Experience

### Architectural Intern - Delvin Design/ Chicago, IL

MONTH 2022 - 2023

- Assisted in the preparation of more than 50 architectural plans and renderings.
- Collaborated on the design of three residential projects.
- Attended and contributed to all mentor client meetings and presentations.
- Conducted site visits to document construction progress.
- Managed material and finish selections for several ongoing projects.

### Drafting Intern - Johnson & James Ltd./ Location

MONTH YEAR – MONTH YEAR

- Prepared detailed architectural drawings under senior architect supervision.
- Assisted in model creation for two commercial projects.
- Conducted research on building codes and regulations.
- Assisted in the creation of client presentations and proposals.
- Participated in team meetings and brainstorming sessions.

### Project Experience

- Developed blueprints and 3-D models for a sustainable residential building.
- Prioritized energy-efficient materials and conservation.
- Integrated site-specific, adaptive natural lighting based on historical sun path data.
- Conceptualized creative reuse of a warehouse district into a nature reserve and community center.
- Developed architectural detail drafts to correlate with the design.
- Assessed structural integrity and site topology.
