

NAME

TITLE

000-000-0000 / EMAIL / CITY, STATE, ZIP

Profile

To obtain a position as a dental hygienist in a practice. I hope to leverage what I learned in an academic setting to solve patients’ dental problems and provide high-quality care.

Experience

Intern - Byron Center Family Dental / Location

January 2023 to present

- Engages patients, learns more about their dental habits, and educates them about dental hygiene.
- Constructs molds of patients’ teeth based on X-rays.
- Cleans sterilized rooms ahead of appointments.
- Prepares supplies ahead of appointments and coordinates re-ordering of necessary supplies.
- Observes dentists and dental hygienists perform treatments.

Volunteer Dental Hygienist -

Laramie County Community College Dental Hygiene Clinic/ Location

2020 to 2022

- Worked with approximately four patients a week.
- Greets patients and asks questions about their health history.
- Educated patients about dental health.
- Performed dental cleanings, teeth sealings, dental X-rays, and more.
- Developed treatment plans under the supervision of an instructor.
