Profile

I'm a highly motivated EMT with a year of experience in emergency medicine, seeking a role where I can use my skills and passion to aid those and further develop my skills as an EMT.

Experience

Volunteer EMT - Company / Location

MONTH YEAR - *Present*

- Respond to emergency calls as quickly and safely as possible to help the patient with whatever's going on.
- Provide medical care such as medications, bleeding control, providing oxygen, and immobilization of patients to ensure their safety as they travel to a hospital.
- Assess patients at the scene to determine the best approach for their injuries or condition.
- Communicate with other EMTs on the best course of treatment, travel, and truck organization to ensure a seamless workflow.

Lifeguard - Company / Location

MONTH YEAR – MONTH YEAR

- Survey the pool to ensure all swimmers stay safe and not distressed.
- Respond to swimmers in distress as quickly and efficiently as possible to remove them from the situation.
- Perform emergency responses like CPR when necessary while waiting for paramedics and EMTs to arrive.
- Provide first aid care for minor cuts and scrapes.

Project Experience

- **Taught CPR:** Helped teach other lifeguards at my summer job how to perform CPR successfully on adults and children so that if the time came, they knew what to do without panicking.
