Experience

Junior Graphic Designer - Company / Location

June 2022 – Current

- Use Adobe Creative Suite and Adobe Photoshop to craft illustrations and new designs for marketing projects like logos and posters.
- Meet clients to go over their ideas, general themes, and expectations.
- Collaborate and provide assistance to other graphic designers on the team.
- Provide time and cost projections for individual projects
- Create an initial layout and report it back to the creative director.

Junior Graphic Design Intern - Company / Location

January 2021 – May 2022

- Gained hands-on experience by observing and working with members of the graphic designing team while performing their roles.
- Learned and mastered all the basic and intermediate functions of Adobe Photoshop, such as color adjustment and lighting modification.
- Provide assistance to other members of the graphic design team as needed.
- Make final improvements and touch-ups while adhering to the chief graphic designer's feedback.
- Performed other duties as assigned by the lead graphic designer and was awarded Intern of the Month for my work.

Project Experience

- Worked on a series of marketing campaigns for web-developing courses website
- Coordinated with management to redesign the company's logo and landing page design
- Helped in an ad development project as an intern
