Experience

Student Nurse - Community Medical Center/ Location

January 2020 – May 2020

- Provided direct care to patients and worked hard to increase patient satisfaction
- Worked in the pediatric unit of the community hospital, helping children feel safe and understand their diagnosis and treatment
- Expertly and efficiently placed intravenous lines and catheters
- Utilized examination, observation, and interviewing skills to assess patient progress and well-being
- Communicated consistently with patients about their care and treatment

Certified Nursing Assistant - Regional Hospital of Scranton/ Location

February 2017 – December 2019

- Assisted patients with routine activities, such as using the bathroom, bathing, eating, dressing, and more
- Recorded patient intakes and outputs thoroughly and with detail in the Cerner EMR system daily
- Created a clean, safe environment for patients to feel welcome and cared for throughout their stay
- Changed bed linens, emptied bedside commodes, and eliminated trip and fall hazards in patient rooms
- Honed patient communication skills and bedside manner to help patients feel safe and comfortable no matter what medical issue they were facing

Project Experience

- Volunteered at hospitals throughout high school and the first years of college
- Helped implement a routine safety check of patient rooms at a community hospital to ensure there were no hazards present
- Volunteered in the pediatric wing of a local hospital, handing out lollipops and reading storybooks to the children.
