

NAME

TITLE

000-000-0000 / EMAIL / CITY, STATE, ZIP

Profile

I'm a creative and experienced UX designer with eight years of experience working in various capacities in UX design. I'm seeking a role in a dynamic organization where I can collaborate with other like-minded professionals and continue to grow my UX design skills to improve the user experience.

Experience

UX Designer Team Lead - Company / Location

MONTH YEAR - Present

- Managed a team of UX designers to ensure client satisfaction was met or exceeded.
- Brainstormed with other UX designers to develop the best possible user solutions.
- Oversee user research and analytics performed by the UX design team.
- Conduct client meetings and present UX design suggestions to them.

Junior UX Designer - Company / Location

MONTH YEAR – MONTH YEAR

- Collaborated with other UX designers under the direction of the UX design team lead on new projects and other things.
- Researched user experiences and analyzed the findings.
- Designed user-friendly interfaces based on user research.
- Attended UX training regularly to keep up with industry methods and standards.

Project Experience

- Implemented UX Design Policy: Helped develop and implement a new UX design policy for a previous company that allowed us UX designers to increase customer satisfaction by almost 40%.
