## Experience

### Professional Hair Stylist - Company / Location

MONTH YEAR - Present

- Researched the current market trends, styles, celebrity hair, and other current looks to provide new and returning clients with style guides, advice, and replicable styles based on preferences, face shape, and hair type.
- Created a relaxing and zen atmosphere by adding low-lit colors, calming elements, and spa procedures to the salon, such as scalp massages, lavender-scented shampoo, aromatherapy, and massage chairs, resulting in 90+ 5-star Google reviews.
- Collaborated with product suppliers to purchase hair care products and facial products at a discounted rate of 56%.
- Recommended supplier's products to clients, helping boost the business' revenue by 15% in the first quarter.
- Obtained 5+ specialized treatment certifications for specific hair and skin care, such as curly hair styling, hair coloring, perming, straightening, and Brazilian Blowouts.

### Professional Hair Stylist - Company / Location

MONTH YEAR – MONTH YEAR

- Posted current clients and hairstyles on social media, helping the salon gain 500+ followers.
- Prioritized customer satisfaction and customer service during salon off-hours, including working on holidays or weekends.
- Streamlined the booking and scheduling software, helping increase client retention by 73%.
- Collaborated with coworkers regarding cleaning shifts and duties, reducing worker turnover by 8%.
- Provided 8+ types of service to clients, including styling, perming, highlighting, balayage, color, smoothing Keratin treatments, and blowouts.

### Project Experience

- Offered salon manager position after six months at last job due to excellent interpersonal, organizational, and delegation skills.
- Created a regular client list of 98 clients.
- Created new staff training protocols for salon stylists, receptionists, and shampooers, improving customer satisfaction and tip by 25%.
- Ran a social media campaign to show current hair trends, increasing the number of salon customers by 14%.
