Experience

Certified Nursing Assistant - Green Grove Nursing Home/ Location

July 2018 – Present

- Delivered patient care under the supervision of RNs and LPNs, working to enhance the patient experience, resulting in higher patient satisfaction results on surveys
- Created a safe environment by helping residents to the bathroom, assisting with walkers and wheelchairs, identifying residents with an increased risk of falls, and reducing fall hazards
- Measure and record patient vital signs in an EMRS and notify the charge nurse of changes in a resident's medical status, satisfaction, and treatment progress
- Frequently assisted patients with ADLs
- Provided comfort and information to patients in particularly stressful situations to make them feel safe and cared for

Student Nurse - Kindred Hospital, Los Angeles

March 2020 – July 2020

- Administered direct care to an average of seven patients daily under the supervision of the charge nurse and clinical preceptor
- Administered medications orally, topically, and subcutaneously on a routine basis
- Observed patients to learn about their satisfaction and develop detailed care plans tailored to each patient and had them approved by the nurse manager.
- Frequently changed wound dressings and performed general wound care to prevent infections and discomfort
- Monitored patients for complications, pain, and discomfort following surgical procedures and alerted the charge nurse to concerning symptoms or patient complaints

Project Experience

- Developed a method for educating patients on their treatment in a simple and digestible manner
- Volunteered at nursing homes and community hospitals to help keep the facility clean and safe
- Created safety checklists to ensure patient rooms are free of hazards
