## Profile

To secure a position as a Firefighter/Paramedic, using my comprehensive skills in fighting fires and advanced medical care to protect lives, provide rapid emergency response, and deliver exceptional patient care in high-pressure situations.

## Experience

### Firefighter/Paramedic - Detroit Fire Department / Location

MONTH 2016 - 2020

- Responded to emergency calls for fires, accidents, and medical incidents, assessing situations and providing immediate medical care and life support measures.
- Operated and maintained firefighting and medical equipment, ensuring their readiness for emergency responses.
- Conducted fire inspections and safety drills, identifying potential hazards and promoting fire prevention measures within the community.
- Collaborated with other emergency responders to establish incident command systems and coordinate efforts during complex emergency situations.
- Documented patient assessments, treatments, and interventions accurately and efficiently to ensure proper medical recordkeeping.

### Firefighter/Paramedic - Hamilton County EMS Department / Location

MONTH 2014 – MONTH 2016

- Conducted initial patient assessments, administered necessary medications, and performed advanced life support procedures to stabilize critically ill or injured individuals.
- Assisted in extrication and rescue operations during vehicle accidents, ensuring the safe removal of victims and providing immediate medical care.
- Participated in continuous training and education programs to stay updated on the latest medical techniques, protocols, and firefighting strategies.
- Worked closely with other members of the emergency medical services team, communicating effectively and providing seamless patient care transitions.
- Maintained inventory and restocked medical supplies and equipment, ensuring availability for emergency response situations.
