## Experience

### Nanny - Company / Location

MONTH YEAR - Present

- Job Description: Worked with three different families to tend to children while parents were away at work. Took kids to school, organized and managed extracurriculars, and prepared a diverse selection of meals.
- Results: I was hired again based on my testimonials and was well-regarded by the children and their parents.
- Additional Competencies: Planned field trips to zoos, parks, and museums for kids. I received my first aid/CPR certification to serve my charges better.
- Other: Ensured that children understood rules and followed them. In addition, I actively worked with parents to implement long-term plans for discipline in the family home, including time-outs and groundings.

### Summer Camp Counselor - Company / Location

MONTH YEAR – MONTH YEAR

- Job Description: Worked as a camp counselor for two years for children with special needs. My responsibilities included teaching hiking, swimming, and other sports.
- Results: My students stayed at camp all summer, and over 40% returned the following year. I received an average of 5/5 on my camp counselor evaluations.
- Additional Competencies: Oversaw more than 30 students in one cabin, managed meals, schedules, and day-to-day activities.
- Other: Started and managed an extramural soccer team and competed against other camps in the area.

### Project Experience

- Soccer Coach: Coached youth soccer for 12 years, managing teams of over 20 kids and bringing them to games and other engagements.
- Swim Teacher: Taught swimming at the summer camp I worked at, with lessons covering more than 40 children.
- Enrichment Programs: Designed and delivered enrichment programs as a nanny, providing kids with unique opportunities to expand their learning.
