Profile	I'm a determined and self-starting UX design freelancer with five years of experience working with clients to develop the best possible user-friendly products. I'm seeking new clients who wish to work with someone on a more personal level and create lasting relationships through high-quality UX design.
Experience	**Freelance UX Design** - Company / Location *MONTH YEAR - Present* ● Manage several clients at once without getting overwhelmed and still providing each project the attention it deserves. ● Design user experiences that will be positive for everyone. ● Implement new designs to current platforms and design platforms from scratch with client goals, branding, and thoughts in mind. ● Research UX design methods to stay on top of trends to be able to provide the best possible UX design services. **Freelance Website Designer** - Company / Location *MONTH YEAR – MONTH YEAR* ● Market me to clients by showing off completed and successful projects and meeting with them to discuss their needs. ● Use WordPress and other website-building tools to craft a user-friendly website that reflects the client's personality and brand. ● Conduct user testing on the website prototype before making final adjustments and showing the client. ● Design innovative websites with unique designs, colors, and menus. **Project Experience** ● Quick turnaround times for clients: I was able to improve my turnaround times for clients by improving my time management and scheduling. This increased productivity and client satisfaction immensely.
Education	**Bachelor's Degree in Graphic Design -** University of California *MONTH YEAR* ● GPA: 3.6 **Associate's Degree in Computer Science -** University of California *May 2009* ● GPA: 4.0
Skills	**Expertise** ● Time management skills ● Interpersonal skills ● Research and analytical skills ● User testing ● Website design ● Coding ● Adobe Creative Suite
Licenses & Accreditations	**Licenses Licenses & Accreditations** ● UX Design Bootcamp ● Certified User Experience Professional (CUXP) ● WordPress Website Building
