Profile

Find employment as a hairstylist and makeup artist.

Experience

Makeup Artist - Company / Location

MONTH YEAR - *Present*

- Discussed with clients their ideas or preferences for a final makeup look for a wedding or other formal event
- Rendered makeup services on the date and at the venue of the client's choosing, offering touch-ups as necessary
- Kept makeup supplies and products organized based on the client's look, making it easy to find things
- Worked with the hair stylist to make sure the overall look is polished and that the client is happy with the result
- Billed clients for the services promptly to allow quick payments from the client or another party

Hair Stylist - Company / Location

MONTH YEAR – MONTH YEAR

- Asked the client about the hairstyle they want, including length, curly or straight, and other factors
- Washed the hair before cutting and styling to make sure the hair is shiny and clean
- Cut and style the hair based on the client's wishes, using hair styling tools and products as necessary
- Cleaned hair styling tools after each use to avoid spreading bacteria and other germs from one client to the next
- Swept up hair clippings to maintain a clean and professional work environment

Project Experience

- I interned under a hair stylist in the same building where I offer makeup services to learn more about hair.
- I started offering hair and makeup as a gift service to friends and family for parties, weddings, and similar functions.
- I did basic hairstyles for my makeup clients when they didn't have a stylist on hand.
