Profile

I'm a creative interior designer with four years of interior and other design experience seeking a position with a dynamic company where I can put my skills, education, and experience to good use. I'm eager to apply my knowledge to assist clients in creating beautiful spaces within their homes, offices, or elsewhere.

Experience

Senior Interior Designer - Company / Location

MONTH YEAR - Present

- Oversee all interior design projects and junior interior designers to ensure they're following company protocols, client instructions, etc.
- Implement final designs for office spaces, living rooms, bedrooms, and other residential or commercial space areas.
- Collaborate with other interior designers to come up with designs that are innovative, functional, and stylish.
- Design different rooms by using visualization tools and creative platforms to see how they would look in real life.

Junior Interior Designer - Company / Location

MONTH YEAR – MONTH YEAR

- Collaborate with other junior interior designers under the direction of the senior interior designer to exceed client expectations.
- Design bedrooms, living rooms, offices, and other spaces with design specifications, style, and color schemes in mind.
- Implement designs by purchasing furniture, paint colors, and other styling components within the client's budget.
- Meet with clients to discuss their needs, wants, and budgets to ensure they're happy with their interior design service.

Project Experience

- Home Projects: Design and style my neighbor's entire home, from the living room to the kitchen to the bedrooms, by using their personal preferences and my design knowledge.
