Profile

I'm an eager UX designer with four years of design experience seeking a role in a dynamic organization to further my career. I'm dedicated to UX design best practices, collaborating with a team, and ensuring all clients are satisfied with my work.

Experience

Entry-Level UX Designer - Company / Location

MONTH YEAR - Present

- Collaborate with a creative team to develop more user-friendly platforms online and for mobile apps.
- Conduct user testing and research to understand better where improvements are needed.
- Meet with other UX designers to update one another on project timelines, client requests, etc.
- Launched new products for clients with easy-to-use interfaces that will promote traffic and sales.

Part-Time UX Designer - Company / Location

MONTH YEAR – MONTH YEAR

- Worked 20 hours per week on UX design while maintaining a high GPA as an undergraduate.
- Assisted in designing user-friendly platforms for various industries like healthcare, music, and education.
- Researched design methods and conducted user testing to determine the right ones for the specified project.
- Implement UX design to increase usage.

Project Experience

- Improved User Experience: Helped run user tests on website interfaces to discover where faults were. I helped improve the UX design and increased website traffic by 25%.
