Experience

Substitute Teacher - Company / Location

MONTH YEAR - Present

- Job Description: I was an in-house substitute teacher for Clearwater High School, overseeing more than 30 classes over four years.
- Results: The majority of my students graduated high school and mastered their end-of-year exams. Additionally, students delivered high-quality work and produced passing grades.
- Additional Competencies: Communicated effectively with parents, planned rigorous lesson plans, and managed classrooms with dexterity.
- Other: Created a comprehensive parent communication plan to dispense to teachers, giving staff an actionable framework for building productive connections with parents and families.

Teacher - Company / Location

MONTH YEAR – MONTH YEAR

- Job Description: Taught two sections of Pre-Kindergarten with over 30 students each, administering lesson plans and communicating with parents.
- Results: 100% of students graduated to the next class, 22% were identified as gifted and received enrichment, and 40% received remediation.
- Additional Competencies: Presented fun and instructional lessons to center kinesthetic learning and cater to students' differing abilities.
- Other: Managed the after-school daycare program with two other teachers, administered enrichment and remediation lesson plans, and was tasked with taking kids on field trips.

Project Experience

- Substitute Teaching Volunteer: While at UC Berkeley, I volunteered as a substitute teacher at a local public high school.
- Daycare Worker: I worked as a daycare worker in a rural Alabama public school at Teach for America.
- Kinesthetic Learning Curriculum: Created and implemented a project-based, kinesthetic learning curriculum for my students.
