Profile

Proin gravida nibh vel velit auctor aliquet. Proin gravida nibh vel velit auctor aliquet. Aenean sollicitudin, lorem quis bibendum auctor, nisi elit consequat ipsum, nec sagittis sem nibh id elit. Duis sed odio sit amet nibh ipsum.

Experience

Registered Nurse - Alliance Hospital/ Location

MONTH YEAR - Present

- Serviced over 50 patients ranging from those affected by diabetes, chronic illnesses, and other diseases.
- Trained up to 40 nurses on pre and post-test counseling for HIV patients. I led the program through intensive participation approaches.
- Administered medication, IV treatments, and injections. I performed these procedures on over 20 patients daily.
- Efficiently tracked patient medical statistics, EKG, and other indicators. Promptly after, I reported irregular findings to the necessary personnel team.
- Maintained a satisfactory rating among 99% of patients who conducted post-care surveys.

Registered Nurse - Anson General Hospital/ Location

MONTH YEAR – MONTH YEAR

- Encountered conflicted patients and advised them to seek support groups and community resources.
- Instructed patients on post-op care to decrease the likelihood of symptoms resurfacing.
- Provided emotional support to sensitive patients unsure about treatment. In turn, patient “dropout” significantly decreased by over 15%.
- Used recovery-intensive techniques to reduce the hospital stay timeframe by 10%. I ensured a seamless process with few delays.
- Collaborated with HIV programs developed to decrease the spread of the illness.

Project Experience

- I participated in an interprofessional collaborative program aimed at breast cancer patients.
- I partook in the “Power of Nursing” workshop during my education years. It instilled the core values of the role and allowed me to build more passion for my vocation.
