## Experience

### Real Estate Agent - Company / Location

MONTH YEAR - Present

- Double-check information to find the best home for your clients, so they won't waste their time.
- Interacting with clients and building relationships, allowing them to rely on me throughout the process.
- Support clients by answering their questions, giving them resources, and providing help whenever possible.
- Calculating interest rates and keeping track of the market to help clients identify a home in their budget.
- Walking through the homes with clients to identify any issues or advantages, they'll recognize the value.

### Property Manager - Company / Location

MONTH YEAR – MONTH YEAR

- Keeping track of properties and maintaining them so the renters don't face problems while staying there.
- Identifying potential prices and making offers to people, they'll want to rent the property and see what you offer.
- Stopping by different properties to show them to potential renters, making them look as good as possible so people want to rent from me.
- Contacting renters and helping them with any issues, ensuring they feel comfortable.
- Remain a consistent contact to answer questions from renters and potential renters to make a plan accordingly.

### Project Experience

- Developing homes and helping businesses create apartments that'll provide more space for people.
- Working with people and volunteering at a soup kitchen to interact with others and meet their needs.
- Planning different events based on real estate and bringing communities together while interacting with those people.
