

NAME

TITLE

000-000-0000 / EMAIL / CITY, STATE, ZIP

Profile

I am an experienced and dedicated social worker with nearly ten years of working with adolescents in multiple learning institutions. My area of expertise is providing relief services to children suffering from trauma or abusive households. Years of offering counseling services have equipped me with skills to provide unique guidance and offer sustainable solutions.

Experience

School Social Worker - Columbus High School / Columbus, OH

January 2018 - Present

- Meet with students weekly within a group and identify cases requiring individual attention.
- Provide post-traumatic counseling services for children affected by physical, emotional, or sexual abuse.
- Complete clinical assessments to provide a diagnosis. This includes arranging meetings with children who require individualized education programs.
- Serve as the chairperson in a special council for schools addressing gaps in the education system causing barriers to educational achievement for students.
- Provide crisis prevention training and advice on how to handle one to teachers.

School Social Worker - Savannah Arts Academy/ Savannah, GA

May 2015 – December 2017

- Support peer counselors with the tools to understand and take on various projects within the school.
- Interview new students and their parents to know if the students have special needs and how to address them effectively.
- Provide ongoing support for neurodivergent students and those on the spectrum.
- Perform regular assessments of student mental health. Offer therapy where needed and progressive treatment plans.
- Communicate and report to welfare agencies and school district abuse cases requiring intervention.
- Update documentation for each student's referral resources.

Project Experience

- Collaborated with other social workers from the Georgia area, local governments, and educators to take action against the growth of online bullying.
- Created a safe and anonymous forum for children to report issues affecting them.
