Profile

Passionate and dedicated massage therapist bringing extensive expertise and training in pain relief techniques seeking a position as a full-time masseuse in a medical environment.

Experience

Licensed Freelance Massage Therapist - Company / Location

MONTH YEAR - Present

- Job Description: Provided 60-90 minute massages to over 1,000 clients over a decade of independent practice, launched and managed an accredited business.
- Results: Had a 70% return rate, increased revenue by an average of 10% year-to-year, and obtained a 5/5 rating on two independent websites.
- Additional Capabilities: Managed the daily responsibilities of running a business, including marketing, sales, and client relations.
- Other: Hired and trained two additional employees, scaled, and sold the business for a significant profit.

Massage Therapist - Company / Location

MONTH YEAR – MONTH YEAR

- Job Description: Worked as a contracted massage therapist at the Clearwater Hotel, providing massages to clients with medical issues such as arthritis and carpal tunnel syndrome.
- Results: Boosted revenue by 24% and had a client retention rate of 66%. Consistently earned high ratings and favorable reviews from clients and staff.
- Additional Capabilities: Assessed client issues, drafted customized massage plans for each client, and leveraged my knowledge of medicine to provide healing massages.
- Other: Launched a medical massage program through the hotel and offered a membership program that increased sales.

Project Experience

- Health Coaching: Provided freelance health coaching to over 100 clients over ten years, helping clients heal from connective tissue injuries and ailments.
- Volunteer Masseuse: Volunteered at a local hospital to provide massages for nurses and doctors.
- Stretch Sessions: Created, launched, and managed a stretching program throughout my former positions.
