## Experience

### Part-Time Nursing Home Caregiver - Company / Location

MONTH YEAR - Present

- Worked with several patients within a shift while providing equitable care to each patient.
- Assisted with safely transferring patients from one seat to another to ensure they don't fall and hurt themselves or myself in the process.
- Provided companionship by talking, listening, and playing games with patients.
- Assisted with personal care, including changing bed linens, bathing, changing clothes, etc.

### In-Home Caregiver - Company / Location

MONTH YEAR – MONTH YEAR

- Cared for one senior patient at a time within their home to ensure they ate, took medications, and were taken care of.
- Assisted with safe patient transfers from their bed, couch, and wheelchair into vehicles for doctor appointments and errands.
- Provided medication reminders to the patient to ensure they never forget to take their important medication.
- Performed light housekeeping duties like dusting, sweeping, and keeping the kitchen clean after preparing meals for the patient.

### Project Experience

- **Improved mobility of an elderly patient:** Worked with a patient who was in physical therapy at home to help improve their mobility. They were able to gain back some of their independence.
