## Experience

### 4th Grade Lead Teacher - Company / Location

MONTH YEAR - Present

- **Job Description:** Taught a class of 25 fourth-grade students and oversaw instruction across all fourth-grade classrooms. Coordinated all fourth-grade events, led assemblies, and managed education throughout the year.
- **Results:** Fourth-grade teachers returned the following year, and students grew 10% on their end-of-year assessments. Received five stars on teachers' evaluations.
- **Additional Competencies:** Mentored four teachers individually once a week, created and shared curriculum materials, and planned and executed events. Teachers earn +2 points higher on their evaluations.
- **Other:** Led three regional training programs to instruct other teachers; created a technology library program at school; created a student incentive program. Students' results grew by 5%.

### 8th Grade English Teacher - Company / Location

MONTH YEAR – MONTH YEAR

- **Job Description:** Taught English to 120 twelfth-grade students, planned and executed comprehensive lessons, implemented classroom management strategies and incentives and led parent-teacher conferences.
- **Results:** All my students graduated middle school with a 3.0 GPA or higher. Nineteen students attended top-tier high schools.
- **Additional Competencies:** Coached the debate team to championships for two years and chaperoned two international trips with students.
- **Other:** Created and led two committees for school culture and volunteer efforts with over 30 students and five teachers in each committee.

### Project Experience

- **Volunteer Math Teacher:** Volunteered to tutor after-school math at a local elementary school and managed four other volunteers.
- **Corporate Educator:** Led workshops on efficiency for corporate establishments for over six years and improved retention rates by 20%.
- **Local Art Installation:** Planned and executed an art installation for local artists from 2019-2022.
