Profile

Motivated and forward-thinking product owner with over four years of experience in a dynamic SaaS environment. Eager to support your team with leadership and guidance over various product development efforts.

Experience

Senior Product Owner - AAR Resource LLC / Miami, FL

March 2020 - March 2023

- Acted as the liaison between three product, five IT, and six sales teams to understand customer demand for new features.
- Led an 8-person product development team collaboration and vision toward launching simple, delightful, and impactful product solutions.
- Spearheaded product discovery and customer/ market research, resulting in a 25% increase in new leads.
- Analyzed and solved complex problems and synthesized data to assess opportunities.
- Developed and prioritized a 45% overhauled roadmap that aligned with the broader business strategy.

Product Owner (Entry Level) - Bot-Comp Companies / Atlanta, GA

MONTH YEAR – MONTH YEAR

- Implemented requirements for 80% of user stories, mockups, wireframes, and storyboards.
- Negotiated day-to-day trade-offs across multiple dimensions, such as value, time, cost, and risk.
- Delivered 11 weekly verbal and written storytelling of customer issues, customer journeys, and product outcomes.
- Presented findings and recommendations to seven product teams using qualitative and quantitative data focusing on new feature development.
- Worked with other managers to ensure products were delivered on time and efficiently.

Project Experience

- Led the final sale of several products, software, and services in collaboration with third-party sellers.
- Facilitate communication with a ten-person sales and six-person technical team concerning updates on product capabilities, success stories, and winning strategies.
- Participated in planning eight industry shows and conventions.
