

NAME

TITLE

000-000-0000 / EMAIL / CITY, STATE, ZIP

Profile

I am a determined graduate with multiple social worker skills and a positive attitude possessing a determined personality to help the community. I am also detail-oriented and eager to learn new skills and broaden my experience as a social worker.

Experience

Social Worker Intern - San Francisco General Hospital / San Francisco, CA

January 2023 - Present

- Conducted assessment for adolescents and children receiving child ware and prevention services.
- Provided counseling services to patients with a history of abuse.
- Maintained records and acted as an advocate for patient rights.
- Set up family meetings with patients and their families with physicians, and keep historical records and detailed reports.
- Consulted with healthcare workers regarding the treatment plan for assigned patients' cases.

Volunteer - Maitri Compassionate Care / San Francisco, CA

May 2022 – December 2022

- Provided support and companionship to aging patients and their families.
- Monitored patient progression and regression and adjusted their care to fit their needs.
- Developed relationships with residents and their families to enhance social and emotional well-being.
- Provided grief support to family members when a resident passed on.
- Worked with my shift supervisor to develop programs to keep the residents engaged.

Project Experience

- Handled a caseload of 20 to 30 patients working to achieve strict goals under limited set deadlines.
- Participated in several programs to enhance patient service experience and managed to increase my scores by over 20%.
