Experience

Special Education Teacher - Company / Location

MONTH YEAR - Present

- **Job Description:** Taught five special education classes of 15+ students for all of Abbott Elementary School. Managed IEPs, held monthly parent-teacher conferences, and planned and delivered SPED lessons.
- **Results:** All SPED students grew 10-15% on their annual evaluations. ESL students increased 10% on average on their English language skills.
- **Additional Capabilities:** Learned, implemented, and delivered project-based learning activities with students; led art therapy and taught music classes.
- **Other:** Led three field trips with 20+ students (SPED and Gen-Ed) to museums around the state.

Teaching Assistant - Company / Location

MONTH YEAR – MONTH YEAR

- **Job Description:** Assisted a general education teacher with all capabilities related to fourth-grade teaching and planned and delivered 1/3 of all lessons. Taught art and music therapy.
- **Results:** Behaviors improved significantly in the classroom, students demonstrated proficiency in music reading, and attendance improved.
- **Additional Capabilities:** Led and attended parent-teacher conferences and arranged transportation for students to and from school.
- **Other:** Substitute teacher for 5th and 6th-grade teachers throughout the year.

Project Experience

- **Founded an Art Therapy Club:** Founded an art therapy club with students after school. Led and managed 30+ students in art therapy, including sculpture, painting, ceramics, and more.
- **Led the Student Orchestra:** Took on a position as the orchestra director midway through the year. Directed three performances.
- **Completed a Marathon:** Trained for and completed a marathon and won 50th place out of over 3,000 participants. Trained five students to run 5k of the marathon.
