Experience

Beginner Hair Stylist - Company / Location

MONTH YEAR - Present

- Distributed business cards and social media information outside of the salon to attract more business.
- Created a strong relationship with multiple clients to build the salon's dedicated clientele base.
- Educated customers on the right products and haircare steps.
- Provided various hair relaxation and straightening services.

Student Hair Stylist - Company / Location

MONTH YEAR – MONTH YEAR

- Examined client's hair texture to determine the appropriate treatment, cut, and color.
- Promoted various salon services and products to current and new clients.
- Recommended specific hair care treatments.
- Set up the workstation with the correct equipment, supplies, and products.
- Scheduled and booked client appointments for myself and other salon stylists.

Project Experience

- Received Aveda training and certification to share knowledge with other staff members about the benefits of Aveda products.
- Attended workshops and seminars, including The International Salon and Spa Expo (ISSE) and The American Association of Cosmetology Schools (AACS), to stay up-to-date on techniques and trends in the beauty industry.
- Created a social media campaign as a student hair stylist to offer student deals for the salon, which increased monthly clientele by 20%.
