

NAME

TITLE

000-000-0000 / EMAIL / CITY, STATE, ZIP

Profile

To obtain a clinical internship in physical therapy, where I can apply my academic training and gain practical experience working with patients under the supervision of experienced physical therapists. I am eager to contribute to a team-based approach to patient care while further developing my skills and knowledge in the field of physical therapy.

Experience

Enter Job Position Here - Company / Location

MONTH YEAR - Present

- Clinical internships: Practical experience gained through clinical internships at healthcare facilities, outpatient clinics, and rehabilitation centers.
- Volunteer work: Volunteer experience providing physical therapy services or assisting physical therapists in a healthcare or community setting.
- Research experience: Involvement in research projects related to physical therapy, such as conducting literature reviews, assisting with data collection, and analyzing results.
- Observation hours: Hours spent observing and shadowing licensed physical therapists in different clinical settings to better understand the field.
- Extracurricular activities: Participation in student organizations or clubs related to physical therapy, such as a physical therapy student association or a sports medicine club.
