Profile

To utilize my volunteer firefighting experience and passion for community service to secure a position as a dedicated Volunteer Firefighter, contributing to emergency response efforts, promoting public safety, and gaining further practical experience in firefighting and rescue operations.

Experience

Volunteer Firefighter - Cleveland Fire Department / Location

MONTH 2018 - 2022

- Responded to emergency calls promptly and efficiently, assisting in fire suppression, search and rescue, and medical emergencies as part of a team.
- Assisted in maintaining fire fighting equipment, ensuring operational readiness, and conducting routine inspections.
- Participated in training exercises and drills to enhance firefighting skills, knowledge of safety protocols, and effective teamwork.
- Conducted fire prevention and safety education programs for community members, including school visits and public events.
- Supported the fire department in administrative tasks, such as record-keeping, equipment inventory, and community outreach initiatives.

Volunteer Wildland Firefighter - Conservation Organization / Location

MONTH 2014 – MONTH 2018

- Engaged in wildfire prevention efforts by participating in prescribed burns and fuel reduction projects, following established protocols and safety guidelines.
- Assisted in constructing firelines and implementing fire suppression tactics to contain and control wildfires in collaboration with other firefighters and agency personnel.
- Conducted patrols and monitored fire-prone areas for potential hazards, reporting observations to the appropriate authorities.
- Supported post-fire rehabilitation and restoration efforts, including erosion control measures and reseeding of affected areas.
- Participated in training sessions and workshops to enhance knowledge of wildland firefighting techniques, fire behavior, and safety practices.

Project Experience

- Emergency preparedness training for community organizations
- Firefighter recruitment and retention
